## 16,000 Km covered by our community of incredible people raising a total of £6,000 for charity.

4 Teams - 4 Charities - 4,000Km - £6,000 Raised

On the 20<sup>th</sup> September, we teamed up with [MyVirtualMission](#) to challenge our community of incredible people to a 4,000km virtual race for charity. Nearly 200 people took part and were split into 4 teams depending on their 4 respective perimeters: Actemium Industrial Perimeter, Actemium Automation Perimeter, Omexom UK Perimeter and Axians UK Perimeter.

The teams raced along our pre-designed 4,000km route which linked key Omexom, Axians and Actemium locations around the UK & Rol. Their positions in the race determined their chosen charity's share of the £6000 prize money.

We're happy to confirm that all teams have now crossed the finishing line securing the following donations to their chosen charities.

- **1ST:** Omexom UK Perimeter – **TIME TO COMPLETE:** 9D,13H,55M – **£2,000** charity donation secured for [Mind](#)
